★★★★★ **Good choice**

We used to store our capsules in the boxes they come into, or in a jar we kept close to the nespresso. What made us choose the DecoBros holder was the fact that we could put our Nespresso (a Citiz black) on top of it.

The machine fits nicely on top, and there's space left to also hold a sugar jar. Our kitchen counter didn't get cluttered, and we have our capsules conveniently stored and organized by coffee. We cut the coffee names from the capsule boxes and stored them close to capsules in the drawer, so we know what coffee we're getting.

★★★★★ **Space saving, easy storage**

By [coffee aficionado](#) on July 21, 2014

Great storage for pods. Has a thin plastic backed felt lining in drawer to hold individual pods. My Nespresso Latissima plus rests firmly on this storage drawer. Great kitchen space saver. Reviews said difficult to access pods in back of drawer. I have no issue accessing pods and do not understand this point written in other reviews.

We have the pod carousel as well for add'l pods, which is also nice, but takes up cabinet space. We first tried the rectangular stacker and it was such a pain to load individual pods. You had to press down on a tab to load each pod.

We recommend the DecoBros Drawer for easy storage and space saving purposes. Can easily fit with any decor.

Got my pod holder and I love it! I was even nicely surprised to find that the inside of the drawer is a black plush material adds a bit of elegance and fanciness to it. My Nespresso machine fits great on top with enough room for our travel cups and creamers. Yay! super cool pod drawer :-)

This feels solid and the metal looks nice. The drawer opens and closes easily. Good value for the money. Note: the whole unit is not meant to be moved around, as the contents can shift and become disorganized. That is fine for us, as the item stays in one spot.

It has a great design and good quality. The metal looks really nice and the drawer opens very easily. The lining of the drawer keeps the pods in place. I would highly recommend this product!

★★★★☆ **8 pods per "row"**

By [Damen Hattori](#) on August 13, 2014

Nice design.

The insert works nicely to space and organize the pods neatly.

My big complaint is that it doesn't hold an entire Nespresso sleeve worth of pods in a single row (or column, depending on how much Excel you use). It is 8 deep instead of the standard size 10, so I end up with leftover pods that have no home. I knew this would be the case when I ordered this drawer, but I didn't think it would bother me. Sadly, it does.
